AS CLOSE TO BUSINESS AS YOU CAN GET

GET READY!

The largest international business student competition
in Eastern Europe starts!

Peak Time competition is a highly competitive and entrepreneurial environment where you can face real-life business challenges and act as a real businessman! Peak Time is organized exclusively by students from Stockholm School of Economics in Riga every year since 1999 and this student business competition is becoming a strong brand name in the world of business!

Peak Time:

- *First-hand knowledge from international guest lecturers and workshops;*
- *Risk-free environment to challenge your knowledge;*
- *Really strong accent to enhance your CV;*
- *Platform where future business leaders gather!*

Take the challenge of Peak Time 2012!

- Apply individually or as a team of 4 undergraduates on www.peaktime.org!
- Run your own virtual business prepared by CESIM and compete for a larger market share!
- Be the best in CESIM and continue the game in online case study prepared by business professionals;
- Be among the top 20 teams and come to the four days Grand Final to challenge your knowledge with advanced real business case studies, held in Riga, Latvia on the 2nd-5th May, 2012;
- Compete to be the best and win valuable prizes.

For more information about the competition check out in our official website: www.peaktime.org, write us info@peaktime.org or join us on Facebook and get the latest updates about Peak Time 2012 on www.facebook.com/ThePeakTime !
